

The City of Bloomington  
Community and Family Resources Commission  
would like to invite you to attend and participate in:

*There's No Place Like Home:  
Affordable Housing and Emergency Shelters*

The Commission invites the Bloomington community to come and speak openly about their experiences with finding and keeping affordable housing. We want to hear from citizens who own or rent housing as well as those currently in temporary housing/emergency shelters.

Notes from the comments made during this town hall meeting will be used by the commission for future Town Hall meetings on the topic of housing and homelessness. We hope this discussion will lead to thoughtful solutions and guidance for public policy recommendations in meeting affordable housing demands.

**Tuesday, October 20<sup>th</sup> - 6:00 p.m.**
